Version -2

Major Product Category	**Consumer Electronics**	**UNSPC CODE: 5216**
Sub-category :	**Audio & Visual equipment**	**UNSPC Code: 521615**
Product	**Meghaphone (Loud Hailer)**	**UNSPC Code: 52161533**

Demand Aggregation:							**ON UNSPC**				
Sl.No.	Items / Parameters	Type of Field	Value-1	Value-2	Value-3	Value-4	Validation Rule	Whether Filter required	Priority	Unit	Remarks
1	Type	Ch	Hand held	Shoulder Type				Yes	1	Null	
2	Voice Range in Traffic Junctions (High Noice Environment)	N					> / = 200	Yes	2	meters	
3	Voice Range in quite areas	N					> / = 500	Yes	3	meters	
4	Operative Voltage	Ch	12volt	12 volt DC					4		
5	Type of battery	Ch					must declare	Yes		Null	
6	Battery Capacity						must declare		5		
7	Operation time with new cells / fully charged condition	N					must declare			hours	
8	Power out put (minimum)	N					> / = 20		6	Watts	
9	Built in Siren, switch operated	Ch	Yes						7	Null	
10	Microphone	Ch	Unidirectional with volume control and press to talk switch	Unidirectional with volume control and detachable mic with press to talk switch				Yes	8	Null	
11	Material of Body	Ch	ABS							Null	
12	Horn dia	N					must declare			mm	
13	Horn length	N					must declare			mm	
14	Weight with battery	N					< / = 2.5		9	Kgs.	
15	Availability of test reports from Central Govt. /NABL / ILAC accredited Lab covering all the parameters	Ch					must declare			Null	
16	Test Report No.	Ch								Null	
17	Test Report date	Ch								Null	
18	Name of Test lab	Ch								Null	
19	Address of the Test lab.	Ch								Null
